PRINTABLE FANTASY FOOTBALL CHEAT SHEETS

We provide printable cheat sheets in a variety of formats to suit just about any fantasy football draft style. Each of our printable cheat sheets includes player rank, name, a checkbox for marking them off, team, bye week, and the player's rank from the previous year using total fantasy points.

We have two single sheet printable options. One sheet includes enough players for a 10-team fantasy draft and incorporates a roster area right inside the sheet itself to enter your draft picks. The other single sheet option can accommodate a 12-team fantasy draft with the roster area being available on a separate sheet.

For those of you who are not familiar with fantasy football IDP leagues, these are formats where individual defensive players (IDP) are drafted by fantasy managers and accrue points for defensive stats like tackles, sacks, interceptions, etc. Our staff ranks include linebackers, defensive line, and defensive backs. You don't currently have any notifications Welcome back RotoBallers! Below you will find our staff's updated 2021 fantasy football rankings (top 130) for IDP formats. Adams set a single-season record for a defensive back with 9.5 sacks last season. So it makes sense that the premium DBs are the guys who make plays regardless of where they happen to be on the field. Jamal Adams definitely falls in that category, particularly when it comes to pressuring the pocket. Bookmark those pages, and prepare for all of your drafts. While it's risky to count on him replicating that total, his ability to produce in virtually every fantasy category is why he's the No. 1 DB entering the season. There's certainly nothing wrong with opting for Budda Baker, Jeremy Chinn, Derwin James Jr., or even Jordan Poyer over Adams, but just remember that the three-time Pro Bowler did all of his damage for the Seahawks in only 12 games. These rankings are being released after the conclusion of the 2021 NFL Draft, and things will of course change as we get closer to the start of the NFL season. And of course, be sure to also check out our 2021 fantasy football rankings dashboard and bookmark it! That RotoBaller rankings homepage is loaded up with lots of other great staff rankings - all updated after the NFL Draft - including our early PPR Rankings, Half-PPR rankings, Standard league rankings, Dynasty League rankings, Superflex rankings, FFPC rankings, and 2021 NFL Rookie rankings. He would have finished at the top or near the top of fantasy scorers among DBs if he had maintained his per-game production over a full season. There are plenty of appealing defensive backs for IDP leagues this season. By that I mean there are some DBs who are tackling machines, there are some who are elite ball hawks, and then there are even a select few that have a knack for getting to the quarterback.
